

BULLDOZING

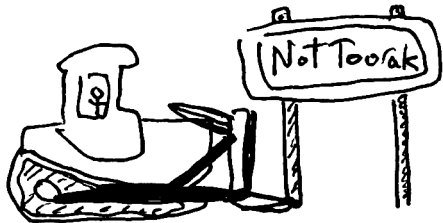

With

CRYM

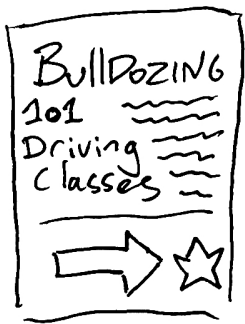

Think of CRYM like
driving a bulldozer
~~through Toorak...~~

The GOALS are all
about how we drive it!

For one, we need to
recruit & train drivers!

(AKA Grow & spread
radical Politics)

But bulldozing isn't the only thing that's important - we want to make it fun and for people to make friends etc. ! (AKA: Community!)

I like you!

I like you too!

Let's bond over niche interests together!

Not everyone supports
bulldozing, so we want to
work at raising the social
license of bulldozing!

Wow I hadn't
thought of that!

You're
so right!

Top 10
Reasons
Bulldozing
is cool!
#1

I can't
think of any

(AKA Defy the
State)

Sometimes other people
need to use a bulldozer
- so we loan out our bulldozers
(Also not unnecessarily
bulldozing things)

Here are the
keys, have fun
bulldozing

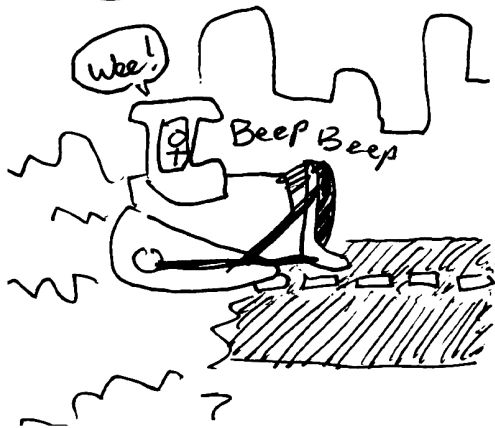

Smashing the
State? ✓

Bulldozing.
wink

(AKA Solidarity)

Then there's the
ACTUAL Bulldozing!

AKA Disrupt & dismantle
oppressive systems

And finally, we want to instill fear into the hearts and minds of our enemies - so they won't just rebuild the same shitty system in the rubble.

AKA take back power

Leaving the way clear
for something better
